18.8.2020

Dear colleagues,

Greetings from Rajiv Gandhi University of Health Sciences (RGUHS) Karnataka, Bengaluru. I would like to welcome one and all to this online platform of RGUHS.

As you are aware, RGUHS is a name to be reckoned with, in India and abroad, as one of the biggest state health universities, with over 2,00,000 students and over 25,000 faculty members.

It was started in June 1996 and has reached its 25th successful, glorious year.

RGUHS Alumni are spread all around the globe. Through individual accomplishments, all of you have become our esteemed brand ambassadors.

On June 1st, 2020, we entered the Silver Jubilee year, which was marked by the inaugural speech of our Honorable Prime Minister of India, Shri Narendra Modiji.

We have planned many exciting activities for the ensuing one year to commemorate this milestone event. Bringing our alumni fraternity together and providing an effective networking has been one such ambition. Coming together would work wonders for all, including the current students, faculty and the rest of the alumni of affiliated colleges of RGUHS. With this thought we have initiated the RGUHS-WAN (World Alumni Network) platform:

<https://rguhs.worldalumni.com>

RGUHS-WAN platform has been modelled on various social media platforms which provides opportunity to interact with your contemporaries, faculty, students and other alumni of RGUHS. The platform has easy-to-access and easy-to-use features to find and connect with your colleagues.

There will be a nominal subscription fee to join. However, the University pays the entire subscription fee for everyone who enroll into RGUHS-WAN platform before 31st January 2021. Hence I appeal to all of you to join the RGUHS family now at the above mentioned link.

Come, join the family and make it a vibrant one with your valuable suggestions and active participation.

Dr. S. Sacchidanand
Vice Chancellor
RGUHS, Bengaluru
